

Space Missions

the world's leading space robotics company

MDA SPACE MISSIONS SUPPLIER APPROVAL NOTICE

COMPANY: A-Line/Muru – Precision Tool Ltd.
51 McCormack Street
Toronto, Ontario
M6N 1X8

Phone: 416-769-4557
FAX: 416-769-7975

Please be advised that your company has been given approval as an MDA Space Mission "Approved Supplier" for the following status:

- Full Approval
 Conditional Approval (Quality concerns or due to documented ANF's)

Scope of Approval: Precision machining using Multi Axis CNC machines and non-conventional machining like Electrical Discharge Machining (EDM) to MDA drawings and specifications.

This approval is granted on the condition that your company complies with the provisions of MDA Space Missions contracts in performing work as defined in the contract.

All shipments of parts and/or materials to MDA Space Missions or its sub-tiers must be accompanied by the required documents as stated in the subcontract or purchase order, properly signed by your approved Quality Assurance Representative.

MDA Space Missions, Q.A. Manager:  Date: 2011-01-31
